

WELCOME TO THE 2026

Annual Progressive  
Networking Dinner

## ***Annual Progressive Networking Dinner***

---

Tonight's event features a progressive-style networking format, designed to maximize the number of new connections you make. Each table has a designated table moderator to help break the ice and guide conversation as needed. We will switch tables after the first course, and then our dessert course will be reception-style with open networking and mingling.

We hope that you find this format exciting and leave the event as we always do—invigorated by having engaged with some of the most innovative thinkers in the Chicago IP community!

---
